Gode råd & tanker på veien

- Våg å drømme – og drøm stort
- Brett opp ermene – jobb mer enn du tror er mulig
- Behold mest mulig eierskap i selskapet i en tidlig fase
- Utnytt støtteordninger og bygg nettverk – lær av andres erfaringer
- Feil skjer – lær raskt, juster kursen og gå videre
- Alt handler om menneskene – velg dem med omhu

Takk for oppmerksomheten!
